

# JOIN OUR TEAM

Above and Beyond current industry standards in providing our clients with the best rehab available.

Intuitive Rehabilitation Services is looking for a motivated, professional and outgoing Physiotherapist to join our large multi-disciplinary team. Our two, full-service rehabilitation clinics are located in Chilliwack, a rapidly growing area offering easy access to many recreational opportunities including hiking, mountain biking, cross country running trails, skiing and more. We are looking for someone who shares our values of evidence-based practice, professional integrity, teamwork, positivity, accountability, compassion, continued professional growth and fun.

With Intuitive you will work alongside a team of qualified Therapists, (Chiropractors, Occupational Therapists, Psychologists, Registered Massage Therapists, Dietitian and Kinesiologists) offering treatment programs for a variety of complex injuries including motor vehicle claims, worksite accidents and private rehabilitation. Our therapists collaborate with health care professionals to maximize resources and deliver evidence-based, innovative and timely health care solutions. Your responsibilities will include performing clinical assessments, setting goals and providing treatment plans for clients. You will also initiate appropriate treatment intervention based on clinical assessment, provide ongoing evaluation of client progress and administer and collect outcome measurement information. Communication with appropriate referral sources and stakeholders will also be an important part of your treatment plan; including written reports. We offer 60 min Initial Assessments and 30 min Subsequent Treatments for all clients.

Accepting applicants with intern registration. Mentorship Available.

#### Your Qualifications will Include:

- Graduate of a Recognized University Physiotherapy Degree Program
- Current Registration/Interim Registration with College of Physiotherapists of BC
- Eligible for Membership in the Physiotherapy Association of British Columbia
- Familiar with the CPTBC Standards of Practice and Guidelines for Clinical Practitioners
- Knowledge of Physiotherapy Standardized Tests and Measures
- Ability to Teach and Empower Clients to Assume Control over their Conditions
- Experience with complex clients including psychosocial diagnoses
- Training in Neuro rehabilitation and concussion management is an asset
- IMS certified is an asset
- Pelvic Floor Certification would be a strong asset
- Work Independently and Collaboratively as a Member of an Interdisciplinary Team
- Establishing Workload Priorities in Collaboration with others in a Clinical Environment
- Effectively Communicate both Orally and Written with Clients and their Families Coworkers, and Healthcare Professionals
- Skills in Physiotherapy Techniques and the use of Applicable Equipment and Supplies
- Ability to Recognize when Referral to another Healthcare Professional is Required.

#### Employee Incentives:

- A Competitive Wage, Benefits Package and Performance Based Incentives (both salary and percentage contract options available)
- Full Office and Administrative Support • Professional Development: Team Meetings, Access to Courses and Educational Opportunities, Workshops and Conferences paid by the Company
- Team Social Events • Signing Bonus Available (\$4000 for part time position and \$10,000 for full time position).

If this sounds like a good fit for you and you would like to join our team, please email your resume and cover letter to [careers@rehabservices.ca](mailto:careers@rehabservices.ca)
